Did you know that the most common letter used in a Parker Towing boat name is the letter "E"? Don't seem quite fair to the letters F, Q, V, W, X, and Z. They aren't found in a single boat name. Personally, I'd have thought the most common letter would have been the letter "T."

Speaking of "T"...I know you done heard of the Boston Tea Party. You ever heard of the "Pennington Sweet Tea Party?" Weren't no sweet tea no where for days in Pennington. The locals went a little bonkers. Started raising sand and dumpin' all of the un-sweet tea in the river. Gracious...there was even talk of calling out the National Guard. Probably would have happened if I hadn't walked to Linden and traded my pet goat for a few cubes of sugar.

 Congratulations to Tim McAllister and Gina McAllister!
They were married on Saturday, June 24th, 2006. 

Crew truck 9603 (Randy's crew truck) will be sold to the highest bidder of a silent auction. Sold as is -- 215,000 miles and will not go into reverse. To submit a bid, write down an amount. Place it in a sealed envelope. Give the envelope to Chas Haun by 7/31/06.
